POTENTATE COMPREST TEA IS A GREAT ECONOMY

IN addition to its acknowledged superiority, Potentate Comprest Tea tablets constitute the greatest economy known in tea. Because of the elimination of stems and fiber, which are dead weight and all waste, a pound of this tea will make more than two pounds of any other.

It is also of far greater strength and fllavor, for the compression into tablet form excludes the air, contact with which, in the ordinary form, greatly weakens the strength of the leaf.

The leaves are extremely susceptible to atmospheric conditions, and this tablet form is the only complete protection known against such deterioration.

Sold in cannisters of 75 tablets, making 75 cups of full strength, full flavor tea, for only 25c. In five varieties. Ask for it.
